Foreword

"During the last few years Nocona has received considerable favorable publicity in different fields, but none has been better than the honors brought home by the high school band and its majorettes. For the first time in local school history, the band was chosen as one of only three out of thirty competing bands for a place in first division in the region, which extends beyond Fort Worth and which embraces many schools larger than Nocona's. This, in itself, is a great honor for the school system."

-- The Nocona News

The yearbook staff hopes that the 1956 CHIEF will reflect the pride of the school in our glamorous Indian Band.

To a very
sweet girl
Good luck in
the future!

Seniors

ALLEN, JAMES

Basketball 1; Science Club 1,2.

Herb's idea of a good time is to head for the woods with a gun and a can of beans for the week-end. As a marksman he's a regular Davy Crockett -- Wins turkey shoots and the like.

BAILEY, PAT

Softball 3; Basketball 2,3; Annual 3, Asst. Editor 4; Band 1; Arrowhead 1,3; F.H.A. 1,2; Girls' Athletic Club 2,3; Pep Club 4; F.F.A. Sweetheart 4; Student Council Treasurer 4.

Pat has the Christmas spirit all the year. Her favorite color is "Red", and she sings "NOEL, NOEL" every day!

BAXTER, CLIFTON

Basketball 2,3,4; Baseball 2,3,4; Football 4; Boys' Athletic Club 3,4; Track 3; Cheerleader 1; Vice-President 2; Class Favorite 2; F.F.A. 1,2, Songleader 3; Science Club 1.

Chug has trouble keeping up with his rings.

BROWN, JO

Sports Club 1; F.T.A. 2; Science Club 3; F.H.A. 1,2,3,4; Band 1, Majorette 2,3,4.

Jo has won numerous honors as a twirler -- and cost a certain football captain 1200 wind-sprints for riding around at 10:30 one night.

BROWN, JOY

Pampa High 1,2; F.T.A. 3; F.H.A. 3; Softball 3; Pep Club 4; Arrowhead Asst. Editor 4.

Joy's ambition is to be a banker. The brown eyes and dimples will not be any handicap.

CARDWELL, JACKIE

F.H.A. 1,2, Songleader 3, Secretary 4; F.T.A. 2; Science Club 3; Pep Club 4; Arrowhead 1; Band 1, Drum Major 2,3,4; Band Secretary 4; Football Queen 4.

Jackie can sling words around as skillfully as she weilds her baton. She has represented N.H.S. in interscholastic league Ready Writing for two years.

CHAMBERS, W. L.

F.F.A. 1, Secretary 2, President 3, Vice-President 4. Dub was an ardent football fan and a regular member of the chain gang (football chain, that is).

CLARK, LARRY

Football 3,4; Boys' Athletic Club 3,4; Track 3; F.F.A. 2, Treasurer 3; Sports Club 1; Travel Club 1; Band 1.

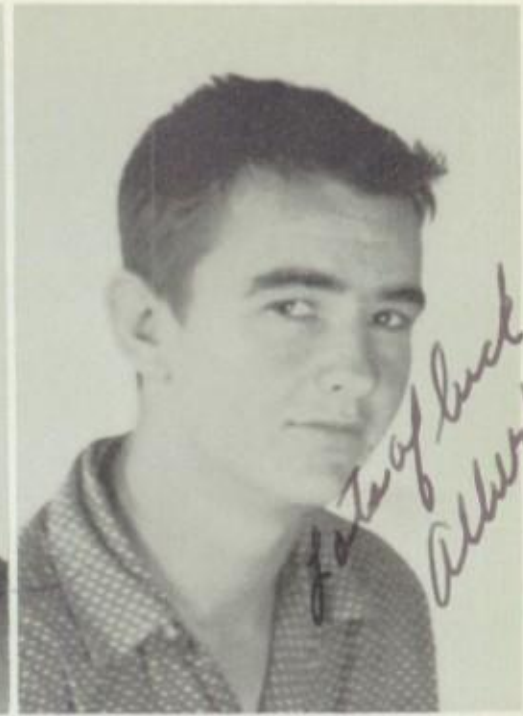

There's not much we can say about Larry because it's "Cowboy Restin' Time".

Seniors

COWAN, TRAVIS

Saint Jo High 1,2; Choral Club 3; F.H.A. 3; Arrowhead 4; Pep Club 4.

Travis' little green station wagon may be seen almost any time going to Saint Jo from Nocona or vice versa. Now, Trav, the Mayor's daughter must not run traffic lights!

DILLARD, ALBERT

Football 2,3,4; Basketball 3,4; Track 2,3,4; Boys' Athletic Club 2,3,4; Sports Club 1; F.F.A. 1,2; Class Favorite 1; Class Vice-President 1,3.

This is the picture of a guy with a broken neck. The "Christmas Day" that Rat used to wish for in football practice came too soon.

DODSON, JANICE

Travel Club 1; Choral Club 2,3,4; Arrowhead 1; F.H.A. 3,4; Band 1,2,3,4.

Janice is a mathematical whiz who has just about made our senior Davy Crockett come back from the wild frontier.

DUCK, HERMAN

F.F.A. 1,2; Monahans High 3.

Our file on Buster reads: fond of horses, likes to hunt, always manages to have a job, and has lots of friends.

DURHAM, LEO

Henrietta High School 1,2,3.

"Flash" is the only boy in school that can look Mr. Adams in the eye. That does not mean he is the only one with a clear conscience, he is the only one that can reach him.

ENLOW, JIMMY

Science Club 1; Choral Club 2; Band 1,2,3,4.

Senior Diego Enlow produces mucha musica. He was in the saxophone trio last year. This year he is a member of the "Hungry Five." We think he is the hungriest one.

EVERETT, PAUL, JR.

Terral, Oklahoma 1; F.F.A. 1,2,3; Library Club 4. Paul must lead a double life. He reads lots of library books and holds a good job. How did he ever get the part of Waxey, a gangster, in the Junior Play last year?

GARDNER, MARIE

Jacksboro 1,2,3; F.H.A. 4.

She belongs to the Future Homemakers but her home-making is present tense. She is one of our married seniors whose pleasant ways have won her classmates' regard.

Seniors

GEISER, JOAN

Library Club 1,2; Drama Club 1; F.H.A. 2,3,4; Choral Club 3,4; Ready Writing 3.

Five years in Texas have not changed her Wisconsin accent. The reason for this may be because she doesn't talk as much as the rest of us.

GENTRY, ELVIN

F.F.A. 1,2,3, Treasurer 2, District Treasurer 2; Student Council 2,4.

"Soapy" makes such good grades that everyone feels sure he will graduate in May even if he has (lost?) his senior ring. Want to go swimming at Club Lake, Soapy?

GIBSON, SHARON

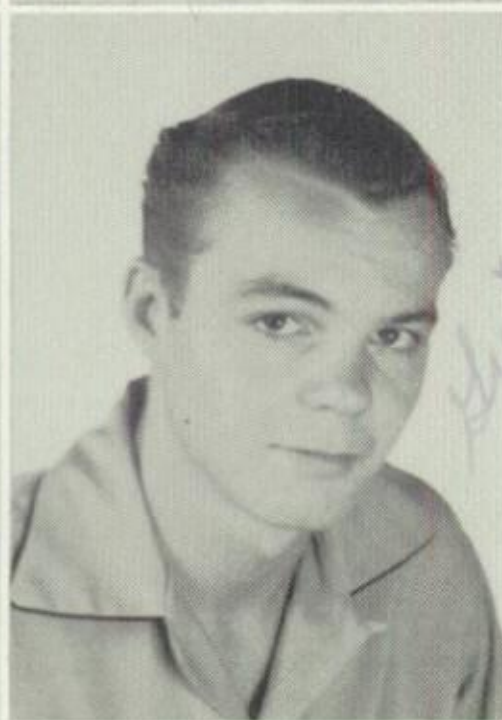

F.H.A. 1,2; Choral Club 3; Future Nurses Club 3; Pep Club 4; Arrowhead 3; Band 1.

Sharon left us to spend her Sophomore year in Level-land. Was that where she acquired her big-city ways that she displayed in the Junior Play of 1955?

GODWIN, MARY LOU

F.H.A. 1, Songleader 2,3, President and Songleader 4; Library Club 1; Girls' Athletic Club, Historian 1; Basketball 1; Choral Club 3,4.

Mary Lou's poems have appeared in anthologies of high school poetry. She is also a skilled beauty operator.

GRAHAM, JAMES CALVIN

Football 2,3,4; Basketball 3,4; Track 2,3; Sports Club 1; Boys' Athletic Club 2, President 3,4; F.F.A. 1,2.

"Mo" and his chem. lab partner are headed for scientific fame or points beyond. They always pour the leftovers into one tube to see what will happen.

GRIFFIN, DON

Band 1,2, Vice-President 4; Annual Staff 3; Tennis 1,2; Golf 1,3,4; Sports Club 1; Choral Club 2. We hope Don will always have as much fun as he had on the back seat of the band bus on football trips.

HARBISON, ADA

Muskogee, Oklahoma 1,2,3; Pep Club 4.

N.H.S. thinks Ada belongs in the royal family. She was a senior nominee for Oil Progress Queen, and the football boys nominated her for football queen.

HOOVER, VIVIAN

F.H.A. 1,2, Secretary 3; Library Club 1,2; Class Favorite 1; Class Secretary 1; Annual 4; Student Council 4; F.T.A. 2; Choral Club 3,4; Pep Squad 2,4; Basketball 1.

Vivian's record above shows that Montague students are always favorites in N.H.S.

Seniors

JAMES, MAX

F.F.A. 1,2,3,4; Sports Club 1.

Max's chief interests lie in Farm Engineering and agriculture. He and his capons get around to various stock shows all over Texas. He carries the hottest torch in school, and he really knows how to weld with it.

LaMASCUS, COLLEEN

F.H.A. 1,2,3,4, Songleader 1; Choral Club 2,3. Colleen changed her name from Dalton to LaMascus during her junior year. This year she has been an efficient office aide as well as a good student.

LARSEN, ELEANOR

Rosemead, California High School 1,2; F.H.A. 3,4; Choral Club 3,4.

She comes from California where drivers have the reputation of being wild; but she got a broken collar bone in a Montague County collision. We love her accordion solos.

LASSETER, WAYNE

Sports Club 1; Boys' Athletic Club 3; Football 3. Wayne is quiet in a noisy sort of way or noisy in a quiet sort of way. He also has a head full of football statistics.

LEBEAU, LOUIE

Football 2,3,4; Track 3,4; Boys' Athletic Club 1,2,3,4; F.F.A. 1,2, Parliamentarian 3.

Whoever has old number 74 next year will have a lot to live up to because "Lovely Louie" was in on every pile-up in football sooner or later. To quote him, "Dadgum! Somebody's always messin' around!"

LERNER, JERRY

Sports Club 1; Class Treasurer 1,2,4; Annual 3,4, Asst. Business Manager 3, Editor 4.

The crystal ball shows a future career in high finance for Jerry, class treasurer for three years. He is used to dealing with huge sums of money.

MILAM, LOU ANN

F.H.A. Pianist 1, Secretary 2; Student Council 2, Secretary 3, President 4; Class Secretary 2,3; Cheerleader 3, Head Cheerleader 4; Basketball 1,2,3; Girls' Athletic Club President 2, Reporter 3; Library Club 1.

Lou Ann is talented in art, music, and in making friends.

MITCHELL, SANDY

Student Council 1; F.F.A. 1, Reporter 2,3; Science Club 4; Football 2.

Sandy always used to get into something, but now that he has his glasses he gets into everything.

Seniors

MORGAN, PAUL

Wichita Falls High School 1,2,3; Home Room Reporter 4.

Paul is one of our very popular new students, especially with the girls. However, his main interest is cars and for some unexplainable reason he is slightly partial to Fords.

MORGAN, PAT

Basketball 2,3,4; Softball 3,4; Sports Club 1; Girls' Athletic Club 3,4; Indianettes 2; F.H.A. 2; Arrowhead 3; Debate 3, Spelling 2.

Pat has always gone in for girls' sports, but this year she is sporting a diamond.

OLDHAM, RICHARD

Travel Club 1; Science Club 1,2,3; Band 1,2,3, Band Photographer 4.

For many of us when we hear the "Star-Spangled Banner" we will always remember Richard's raising the flag at the home football games. He also has the special talent of playing the clarinet with one hand.

ORRELL, DAVID

Science 1,2; Student Council Vice-President 4; Class President 2; Class Reporter 4.

David and his "Midnight Riders" are one of the most popular musical groups in N.H.S. He sings, plays numerous stringed instruments, and makes a smooth M. C. for the band.

PARNELL, JOHN

Mansfield, Louisiana 1,2,3; Band 4, Band President 4; Arrowhead 4.

John was all-state bandsman in Louisiana. N.H.S. gave him a standing ovation on several occasions when he played "Rock Around the Clock."

PARR, WELDON

Science Club 1,2; Student Council 3.

Willie is a member of the "Midnight Riders." He plays a mean banjo, but he won't sing. We hope that Willie finds a meek, obedient wife such as he had in the junior play last year.

PEARSON, DELOIS

Henrietta High School 1,2,3; Pep Club 4.

Delois has a sweet voice and a friendly smile that won her a place in a new school.

POLLARD, ROY

Van 1,2; Basketball 3; Arrowhead 4; Boys' Athletic Club 3; Class Favorite 3.

One of his teachers frequently says that she is glad that Roy is not twins. His humor is razor sharp and you just can hardly get that kind no more.

Seniors

PRICE, RITA

F.H.A. 1,2,3, Parliamentarian 4; Library Club 1; Choral Club 3,4; F.T.A. 2; Future Nurses Club 3. Rita's experience as an office aide should help her when she gets that secretarial job in the future.

PRIDDY, SHIRLENE

Library Club Treasurer 1, President 2; F.H.A. 1,2,3,4.

Her good grades, her work in the library, and her faithfulness to her church make Shirlene sound like a very serious person, but actually she has loads of fun.

REID, SHIRLEY

Saint Jo, Texas 1,2; F.H.A. 3; Choral Club 3,4; Arrowhead 4.

Having a beautiful soprano voice, Shirley is one of our most talented senior girls. She is a great help to the Choral Club.

RICHARDSON, FLOYEDELLE

F.H.A. 1,2,3,4; Library Club 1; Choral Club 3,4, Vice-President 3; Pep Club 2,4, President 4; Class Favorite 3; Cheerleader 4; F.T.A. 2.

Floyedelle Maxine Richardson? Who is that? You mean Red? Everybody knows her and likes her.

RUSSELL, PAT

Wichita Falls, Texas 1; F.H.A. 2,3,4; F.T.A. 2; Future Nurses Club 3; Choral Club 3,4.

If Pat has any doubts about her glasses being glamorous, all she has to do is watch the television ads.

RUSSELL, MELVIN

Science Club 1; Sports Club 2; Boys' Athletic Club 3; Arrowhead 4.

Melvin takes English on-the-move. At least he is not as bashful as the boy he tells about, the one who has to go in the other room to change his mind.

RYAN, CAROLYN

Basketball 1,2,3; Sports Club 1; F.H.A. 1,2,3; Indianettes Club Reporter 2; Tennis 1,2; Class Favorite 2; Cheerleader 2; Choral Club 3; Future Nurses Club 3; Pep Club 4; Student Council 4; Extempo 3. Carolyn's favorite number seems to be 72 for the last 2 years. 72's favorite girl for the last two years seems to have been Carolyn. Anyway, she has a diamond ring.

RYAN, CHARLES

Science Club 1; Boys' Athletic Club 3; Track 3; Football 3; Baseball 3,4; Arrowhead 4.

Charles is generous about sharing his vocabulary words with his senior classmates. He is also generous about using that vocabulary orally. (We mean he talks a lot.)

Seniors

SEAY, HARDY LEE

F.F.A. 1,2,3; Sports Club 1; Boys' Athletic Club 2,3,4; Student Council, Parliamentarian 4; Football 2,3,4; Track 3.

Hardy has a back that is strong and a mind that's just as strong. The quick thinking about a "trap-play" kept Co-Captain Seay on the field at Jacksboro.

SELL, ELAINE

Band 1,2, Secretary and Treasurer 3,4; F.H.A. 1, 2,3; Choral 2,3; Annual Asst. Business Manager 4; Class President 1.

Since Elaine is one of our Senior telephone operators, she knows more about what goes on in Nocona than most of us. "Number, please" is a long conversation for Elaine.

SPENCER, DORIS

Radford High School, Radford, Virginia 1,2,3; F. H.A. 4; Choral Club 4.

Are Doris' high grades an old Southern custom? She is scheduled to continue her education in Japan. Smooth sailing.

STALLCUP, DICK

Football 2,3,4; Track 3; Student Council 2; Boys' Athletic Club 2,3,4; Band 1; Band Club 1; Science Club 1.

Turkey Stallcup, the boy with the trained Buick. He is also "God's gift to the ladies", and if you don't believe it just ask him.

STOREY, JIM

Football 2,3,4; Baseball 1,2,3,4; Track 3,4; Boys' Athletic Club 1,2,3,4; Class Treasurer 3; Class President 4.

Jim should have no trouble finding a job with the F.B.I. If he can track down spies as easily as he can teachers' test papers.

TEAGUE, ELENE

F.H.A. 1,2,3,4; Library Club 1,3; Choral Club 2. Elene already has her future career mapped out. She is planning to enter business college.

THOMAS, MONROE

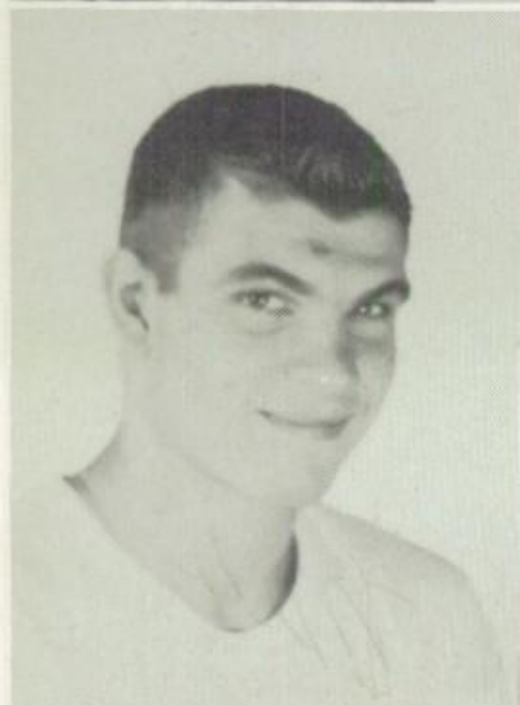

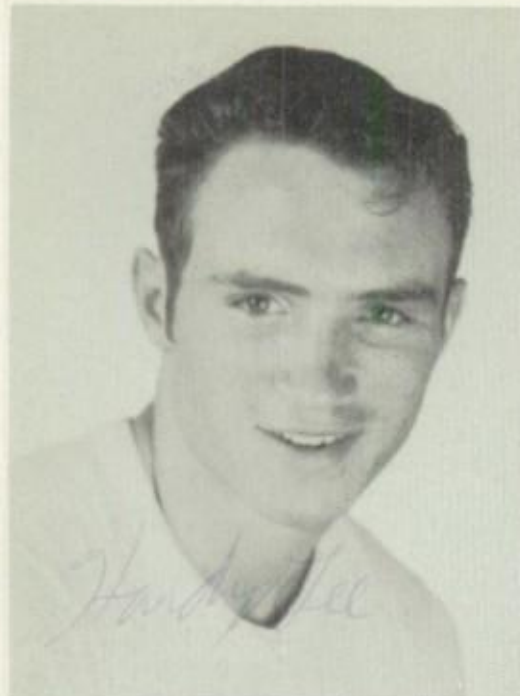

Football 3,4; Track 3,4; Boys' Athletic Club 2,3,4; Science Club 1.

Monroe has one of the most interesting hobbies in N.H.S. He collects and makes different types of guns.

TOMPKINS, DAVID

Football 3,4; Track 3; Boys' Athletic Club 3,4; Sport Club 1; Int. League Typing 2; Annual Business Manager 4.

David and his "Grey Hornet" are now making regular 13 mile jaunts to the East. And he still doesn't know how he got to be a member of the St. Jo Methodist Choir.

Seniors

USELTON, TOMMY

Football 3,4; Basketball 3,4; Track 3; Boys' Athletic Club 3,4; F.F.A. 1,2, Vice-President 3, President 4; Student Council 1; F.H.A. Beau 4.
"Tom the sheep herder" is a rodeo star and a rugged line-backer for the Indian squad.

WALL, DAON

Football 2,3,4; Basketball 2,3,4; Baseball 2,3,4; Track 3,4; Boys' Athletic Club 1,2,3,4; F.F.A. 1,2,3,4; Class President 3; F.H.A. Beau 2.
"Dasher Wall" ought to have a good-sized scrap-book, if he has kept all the newspaper clippings about his athletic records.

WEBB, BILLY

Prairie Valley 1,2; Science Club 4; Arrowhead Club 4.
Billy reversed the Nocona to Prairie Valley routine! He came from Prairie Valley to Nocona. During football season he and his car were extra popular with some of the boys.

WIECHMAN, RAMONA

F.H.A. 2,3,4; Choral Club 2,3; Drama Club 1.
The girl with the Southern drawl and the Yankee accent. She hopes to enter college this fall in Kansas.

WELCH, JOHN

Football 3; Boys' Athletic Club 3; Science Club, Vice-President 1,2,4; Arrowhead Editor 4; Track 3.
Maybe John will combine his real interest in science with his talent for journalism, and become a scientific writer.

WOLFE, MARY *Sledge*

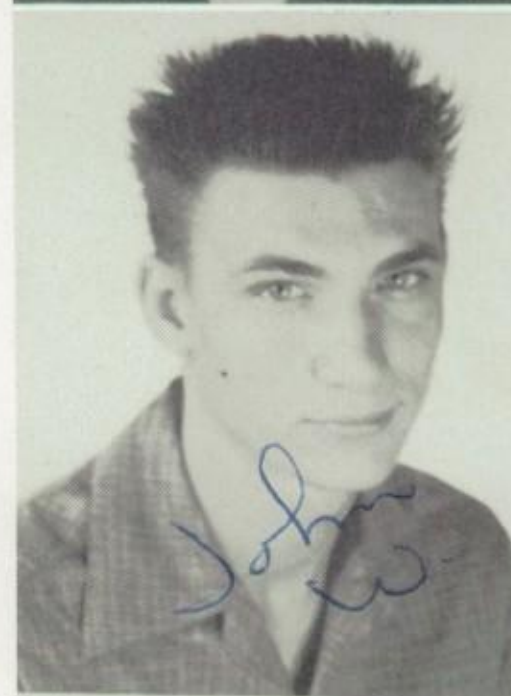

F.H.A. 1,2; F.T.A. 2; Band 1,2, Majorette 3; Student Council 3, Secretary 4; Class Secretary 4; Ready Writing 3; Science Club 3; Pep Club 4; Arrowhead 1.
Mary's "cheese" grin is very photogenic. (Attention, Kraft Co.). She has helped her friends in practically every subject, even typing.

WYLER, CLARA

F.H.A. 1,2,3,4; Library Club 1,3; Girls' Athletic Club 2; Future Nurse's Club 3; Int. League Typing 3.
Clara has taken all the commercial courses N.H.S. offers, plus some by correspondence. She also has learned a lot about rodeos in the last two years.

YOUNGBLOOD, JERRY

Fort Worth 1,2,3.
Jerry has learned to expect the question, "Do you have lots of fried chicken?" He is taking Spanish so he will have a new answer for them. It is "quien sabe?"

With eight wins and two losses, the Indians finished the 1955 season in second place in district 2A-10. Nocona's only conference loss was to Olney, district titlist, a team which advanced to the quarter finals in the state race.

Bill Lee was named on the all-area first team, with Waldrip placed on the all-area second group, and Storey and Wall being given honorable mention.

David Waldrip was a unanimous choice for the player's all-district team, for which Wall, LeBeau, and Seay were also selected. Uselton, Sledge, Pults, Lee, and Storey were also given honorable mention for this team.

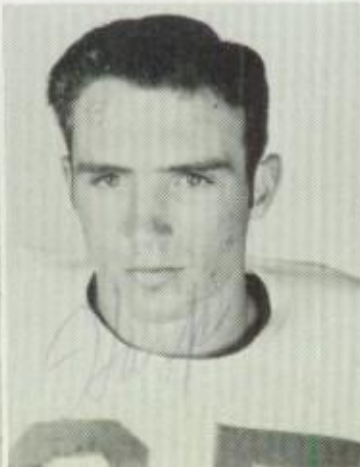

Daon Wall and Waldrip were placed on the all-district first team chosen by the FORT WORTH STAR TELEGRAM.

In the picture, reading clockwise from bottom center:

Calvin "Mo" Graham (6'5"): Named on the all-tournament team at Wichita Falls, and the all-area AA second team, Mo was high point man for the year, with an average of 18.5 points per game. His fine defensive playing in the regional game against Mt. Vernon held all-stater Don Meredith, with a previous record of 35 points per game, to 16 points. Mo is a senior.

Daon Wall (5'7 1/2"): All-Tournament team at Wichita Falls, all-area. Speed, aggressiveness, and the ability to make his own breaks made Daon one of the outstanding players of the area. His spirit will be sorely missed next year.

Clifton Baxter (6'): One of our most consistent players, a good ball handler, who was depended upon for his rebound strength. A senior, he has lettered two years.

James Weaver (5'9"): A junior who was the utility man of the squad. His versatility permitted him to play every position except that of our 6'5" post man. He is expected to surpass next year his fine 1956 record.

Tom Pettyjohn (5'8"): A good, steady, dependable player. A junior, Tom is expected to carry Nocona's scoring load next year.

Tom Uselton (5'11"): Selected for all-tournament team at Wichita Falls, and all-area AA team. Tom was second high point man for the season with an average of 18.2 points per game. His ability to get his favorite jump shot was a thorn in opponents' sides all year.

No captains were elected by the 1956 team. The five seniors on the squad alternated as game captains.

"The Arrowhead", N.H.S. Newspaper formerly written by a volunteer staff as an extra curricular activity, has been produced this year by the journalism class taught by Mrs. Copeland. Their work appears in the weekly NOCONA NEWS under the heading of the Arrowhead and in other parts of the local paper as general town news.

Students from the journalism class pictured below plan to enter the regional Interscholastic League contests in Dallas April 21. The journalism contests include writing headlines, news stories, feature stories, and editorials, and also proof reading.

FIRST ROW: Travis Cowan, Harlan Howard, John Parnell, Roy Pollard, Jim Pults. SECOND ROW: Shirley Reid, Melvin Russell, Charles Ryan, Donald Taylor, Billy Webb.

SEATED: Jerry Lerner, Pat Bailey, Elaine Sell, David Tompkins. STANDING: Mrs. Janeway, David Milam, Gayle Burnett, Vivian Hoover, Wanda Abbott, Janice May.

At The Football Banquet

The orchestra plays while the crowd gathers. About three hundred persons were present when the P.T.A. honored the football team, coaches, band, and cheerleaders on January 14.

Coach Sammy Baugh of Hardin-Simmons is the speaker of the evening. Coach Harris (left) and Dr. Harold Wallis, president of the Touchdown Club listen attentively.

Mayor Weldon Cowan presents the Lions Club Sportsmanship Trophy to Daon Wall.

Pictures by Richard Oldham.

This and That

In the pep rally just before the Bowie game, we endorse the cheerleaders' slogan of "Roast the Rabbits".

During the week before the last home football game, each football player "pins" some girls with a miniature football bearing his name and number. In the picture the girls are returning the footballs as an old N.H.S. tradition.

Coach Wright's home room of Juniors won the intramural volleyball championship. Players in the final game were: James Weaver, Joe Pulis, Billy Reynolds, Birt Seay, Jean Ritchie, and Mary Roberts.

Tom Uselton seeks revenge after receiving a snowball in the face. Carl Hodges looks for a target while Jimmy Martin is just looking.

David Orrell's cordial greeting to Larry Clark is answered seconds later with a snowball.

Six Hours A Day

James Howard shows that the guillotine which he made in English II really works.

First period Chemistry class performs an experiment. (?)

Second year typing students find that typing to music increases their speed.

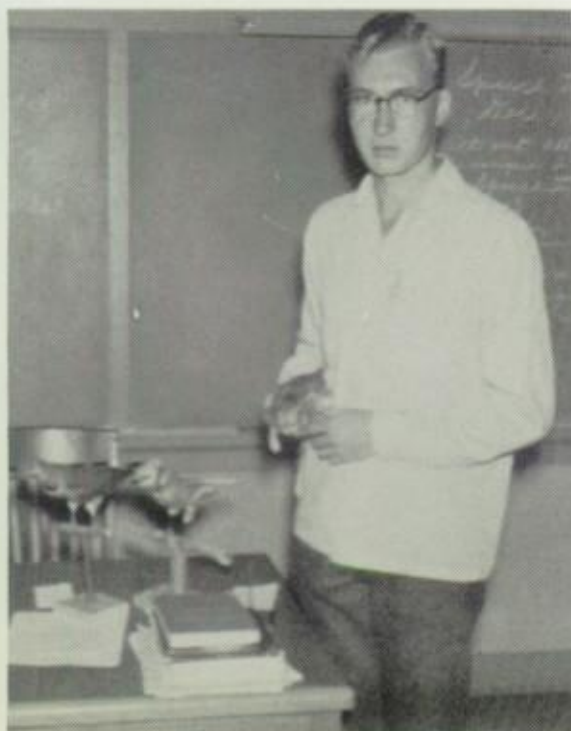

The Spanish class listen to records by native Spaniards to help improve their pronunciation.

Freshman English must be interesting because the students don't turn around to smile at the photographer.

Our building custodian Homer Wyler and his assistant Luke Hatfield devote more than "six hours a day" to keeping our building clean.

BELOW, CENTER: Mr. Morgan explains a problem to his Sophomore Algebra I class.

BELOW, LEFT: Harold Marmaduke tells the Speech class about his hobby, taxidermy, and exhibits specimens he has mounted.

Valentine Sweetheart and Her Court

STANDING: David Orrell escorting Pat Bailey; Helen Curnutte escorted by Charles Jones; Mevlynne Williams and Della Mae Duck, pages representing the Student Council; Vivian Hoover and her escort, Jim Storey; Sue Staniforth, with her escort, Carl Hodges; Jo Brown escorted by Hardy Lee Seay. SEATED: Valentine Sweetheart Lou Ann Milam, with her escort, Tom Uselton, and crown bearer, Debbie Chapman.

The crowing of the Valentine Sweetheart was the climax of Twirp Week sponsored by the Student Council this year. By secret ballot the students chose a Valentine Sweetheart whose identity was not known until the coronation in a colorful assembly program February 10.

Throughout Twirp Week the girls made the dates, paid the bills, furnished the transportation, and otherwise reversed roles with their escorts. Thursday was Dress-Alike Day, when the steady couples appeared in similar attire. At the coke dance on Saturday night the Valentine Sweetheart reigned over a dance where the girls asked for the dances, and the boys occasionally had a "Gentlemen's Choice."
